Packing list for your hunting trip

HUNTING EQUIPMENT

- hunting rifle & scope
(may only be brought in between February and November; rental rifles are also available locally. You can read about which calibre you should bring for which game at theecohunter.com/en/entry-requirements-rifle-importation-trophy-shipping-namibia/)
- ammunition
(We recommend 40-60 rounds. Ammunition must be transported in a lockable box separate from the rifle, i.e. in checked baggage and NOT in hand baggage.)
- hunting rifle case with lock
- binoculars (optimal: 8x42)
- hunting knife
- small daypack with drinking system
- shooting stick (tripod or bipod)
- cartridge case for the belt
- headlamp incl. spare batteries
- flashlight incl. spare batteries

OTHERS

- travel blanket
- inflatable pillow
- _____
- _____
- _____
- _____

TECHNICAL EQUIPMENT

- smartphone + charger
- camera + battery
- memory card
- powerbank
- adapter

PAPERS & REQUIRED DOCUMENTS FOR IMPORTING YOUR RIFLE INTO NAMIBIA

- passport
- vaccination card
- credit card
- cash
- proof of international health insurance
- separate proof of your international health insurance about the coverage of costs in case of illness with Corona
- invitation from the hunting farm
- telephone number, contact person and address of the hunting farm
(required for filling in the entry form)
- valid rifle ownership card
- hunting rifle import permit for customs

(download in advance at www.theecohunter.com or receive on arrival)
